Pittsfield School District

STAFF HEALTH

Medical Examination of School Personnel. All school personnel shall be required to have a pre-employment post offer medical examination by a licensed physician. Any person who objects to all or part of any medical examination because of religious beliefs shall be exempt from said examination, except that no such exemption shall be granted if state or local authorities determine that such exemption would constitute a hazard to the health of persons exposed to the unexamined individual.

Additional Examinations. The superintendent may request a medical examination for any employee if, at any time, he/she has reason to believe that the employee's physical or mental health may be inimical to the welfare of pupils or other employees. The cost of such examination will be borne by the district.
